When boarding with us, your pets will feel right at home. We want your pets to be as comfortable as possible. So, feel free to bring toys, blankets, bowls, food, or anything else that would make your pet happy. Of course, we have lots of treats!

During their stay, your pets will be treated as if they were our own. Our trained staff will make sure your pets are safe and comfortable. All dogs will exercise in our large outdoor areas (weather permitting). Our exercise area is completely enclosed (including the top) for your pet's security. Pets will be exercised four times daily. Extra play and exercise time is available as well.

**To keep your pets healthy, we require that pets be current on the following:**

**FOR DOGS:**

- Distemper/Parvo vaccination (DHPP)
- Rabies vaccination
- Bordetella vaccination
- In addition, all dogs need to have a negative stool sample within 3 months of boarding.

**FOR CATS**

- Distemper/Upper Respiratory vaccination (CVR)
- Rabies vaccination
- Feline Leukemia vaccination  
(A negative Feline Leukemia test within 6 months will be accepted in lieu of current Feline Leukemia vaccination.)

**Proof of vaccinations must be presented at the time of boarding.  
No exceptions.**

**Cat Condos**
